

HOW HAS MARVIN GROVE CHANGED OVER THE YEARS?

We want YOU to help us answer that question!

Step 1: Determine where in Marvin Grove the photo on the front of this card was taken.

Step 2: Take a picture of that part of Marvin Grove today. Include the historical photo in your picture so we can see the changes!

Step 3: Share your picture on social media by tagging @SpencerMuseum and @kulibraries.

KU's University Archives at Kenneth Spencer Research Library is home to more than one million photographic images. They document KU's history from the 1860s to the present. Check out more than 34,800 KU photos online at lib.ku.edu/archives-photos.
